Summer Term News

Hello and welcome back to the start of Summer term, we hope you all enjoyed a lovely and restful Easter break.

The first week back in school is always a busy one but the children have settled back into school life brilliantly.

After school clubs

Our after school clubs will commence from Monday 24th April and will run to the last week of summer term. We have had such positive feedback regarding the amount of variety of clubs being offered. We hope all the children have found something they will enjoy! Thank you to parents who have registered their children onto the clubs via Parent Pay.

Medic Tracker

We informed you on the previous newsletter and a letter that our new way of recording any first aid incidents will be recorded via an app called Medic Tracker. This will be going live from Monday 24th April. Please inform the school office ONLY if you need to update your email address as parents will be emailed directly to parents email addresses and not in the form of a paper slip.

Bank Holidays.

Just a reminder that we have two bank holiday Mondays this term - May 1st and May 6th

School Dinner Money

Please can we ask that school dinner balances are brought up to date. Moving forward, ANY school meal arrears of more than two weeks will be required to bring packed lunches.
