School Focus: Behaviour and Attitudes

A good attitude to learning across school; derogatory language not to be used in school.

In school we work hard to ensure all children are their best selves all the time. We plan assemblies and lessons to explain this. We set and insist on high expectations in and around school. Recently we've have been complimented by visitors to school and noted for excellent behaviour out of school when on trips too. Well done everyone – keep up the good work.

Headteacher's Comment

Well done to 4He for their class assembly - What a great performance!

Please make sure lunch boxes include healthy things for the children to eat. One treat of either crisps or a mini snack bar is good but please don't include more than one treat.
