Well done everyone!

Focus of the week: School values in the community

Crosslee Primary School works very hard to build strong relationships with the local community. Here is a small selection of the ways we do this.

Nurture Award

Crosslee is officially accredited as a Nurturing school!

Stay and Play

Our nursery and reception classes regularly hold 'stay and play' sessions. These help to build strong relationships between home and school, giving staff and parents chance to get to know each other whilst seeing the fun the children have learning each day.

Tree Planting

It was amazing to have so many parents join us for tree planting day. (Despite such morris weather!) Thank you for coming along!

PTA Spring Fair

Crosslee families are always very generous with donations. Thanks so much for all you have sent in today ahead of the fair on Wednesday. We're really looking forward to another great event!

Thank you to all the parents who braved the rain and were able to join us for the tree planting on Wednesday. I look forward to seeing more of you at the Spring fair on Wednesday - we're raising money to improve our playground apparatus.

In order to ensure that children are safe, we kindly ask that you do not let your children play on the purple playground apparatus after they've been collected. Thank you for your support and cooperation.

Have a wonderful weekend and see you on Monday. Miss Crew.
