10th December 2021

Dear Parent / Carer,

I am writing to you with a Covid 19 Risk Assessment update. It is with regret that we have had to make the difficult decision to cancel our Christmas sing a-long on Wednesday 15h December.

This has not been an easy decision, but following a review of the risk assessment we feel this is in the interest of our children and school community. With recent increased cases and the new Omicron variant presently increasing significantly. We need to reduce any risk being presented. Our aim continues to be for our children and their families to be kept safe, that our pupils remain in school as much as possible and that our families can enjoy their Christmas break.

We hope to make some further recordings and will let you know about these. A consent form will be sent home with the children this relates to for you to give permission for your child to take part. We are very sorry to have had to make this decision and thank you in advance for your understanding during the ongoing pandemic.

Please can I also ask that if you enter the school building that a mask is worn unless you are exempt from doing so. We ask that you only attend school if necessary and that you communicate by telephone when appropriate in order for us to limit the number of visitors into school.

I would like to take this opportunity to wish you all a lovely Christmas break and Happy new year. Please remember the children finish at 1.30pm on the 17th December and return to school on Tuesday 4th January.

Kind regards,

Mrs A. Wadsworth
Headteacher
