Dear Parents/Carers,

In light of the current situation with Coronavirus, we are providing remote learning activities for all pupils whilst we are closed.

Most work will be set online and the children will be able to access their learning using the passwords that have been sent home or sent to you in the post. In addition to this, please continue to read with your child and continue to practise their spellings and timetables with them. Try to give them some daily opportunities to exercise and continue to be mindful of their emotional wellbeing during this time. Any Art and Craft activities you can do with basic household objects would be great too!

If you are unable to access online work please pick up a Year group pack from the office on Friday between 9:00 am to 3:00 pm. However, the best option is to follow the online work.

### E-mail

Each class now has their own email address to support you with your child's learning only. If you have any questions about the work they have been set or the children are unsure how to complete the set task, you will be able to contact the class teacher.
