## Robinwood

### *Making memories to last a lifetime!*

As you will know our year 6 pupils went on their long awaited residential trip recently and by all accounts, everyone had a fabulous time. Here are some of the children's own words to describe their trip:

*Charlie* - "My favourite activity was the challenge course because I liked gliding across the levels"

*Lake* - "The Giant swing was my favourite because it was scary! I give it 9 stars because it was out of this world!"

*Qasim* - "Knight quest was my favourite because we had to be smart"

And here are some words which our children used to describe their trip to Robinwood...

*Keira* - "Spectacular!"

*Namrud* - "Mind Blowing!"

*Nathaniel* - "Life Changing!"

**FREE Easter Sports Program at Manchester Co-op Academy - Please see our website for more information regarding the timetable.**

Virtual Parents Evening 9<sup>th</sup> May and 10<sup>th</sup> May 2022

KS2 SATS Week 9<sup>th</sup> May 2022  
KS1 SATS Week -16<sup>th</sup> May 2022

# Walk Like an Egyptian!

## *Learning all things Egyptian*

Year 3 have been learning all about Egyptian times this term, getting to understand how ancient Egyptian people lived, learning about their way of life and even getting to understand about hieroglyphs! To help reinforce this topic for all the children, we had a Pharaoh come to visit the children in class and they all had a great time.

We have even been treated to a 5-star performance from Year 3 this term, showing they are all super talented and very clever in learning their lines. Well done to all of year 3!

## Forest School

This week the children have been learning how to make a safe camp fire and even got to toast some marshmallows and make S'mores! We are so lucky to be able to give all our children the opportunity to get to discover all about nature and the outdoors. With the new term we start the next classes having Forest School - We sent letters home with the children from classes **Blue Butterflies, Rec B, 3C, 4S & 5A** giving the set days and times for these classes. Should you wish to check dates for your child, please call the office.

Please make sure your children bring in suitable clothes and footwear on these days!

### Polite Reminders

Nursery admission letters have been sent out - If you still need to register your child for a place, get in touch as places are going fast.

### Late Collections

Please try to be on time when collecting your children. We have had an increased amount of children being collected late and we appreciate your support in collecting all pupils on time.

## **Year 6 SATS morning**

**Date: Wednesday 20<sup>th</sup> April Time:9am**

This is your chance to come and meet your child's teachers to ask any questions you may have surrounding the SATS week and how you can support your child. You will be invited to your child's classroom to see the example test papers and have the opportunity to sit with your child and ask any questions with the teachers. There will be tea and coffee provided. We will look forward to seeing you there!

## **Competition Time**

All our pupils have been invited to take part in a maths competition which continues throughout the holidays. We want to see how you use your maths skills at home, be as creative as you can showing off how you are using your maths skills whether it be through baking some cakes, helping your parents shopping adding up the items or even designing a poster which shows all the ways you can use maths in real life! There will be a winner from each Key Stage announced after the holidays.

## **Funds Raised**

A huge thank you for helping us raise funds for Red Nose, DES humanitarian crisis and not forgetting the sponsored big read over the last half term. Without your constant support we could not provide all the things we do in school and support so many good causes. We have raised the following amounts:

**Red Nose Day: £315.90p**

**DES Humanitarian Crisis: £345.14p**

**Sponsored BIG Read: £767.75p**

## **Happy Easter Break**

You should all be very proud of your children and the resilience they have shown over the last few months. As things return to normality we look forward to doing lots of exciting things in school to support their learning and wellbeing. Thank you as ever, for the continued support. It is much appreciated by all the team at Crosslee.

We hope you all have a great Easter holiday and we shall see you back in school on 19th April.
