

Crosslee Community Primary School Values

In school we want all our children to feel happy and be safe. We want students to make progress and to achieve their full potential. These goals can only be achieved if our school is orderly and our classrooms are calm. We expect good behaviour and good manners. We know you feel this is important too.

Our Crosslee values outline our expectations in terms of student conduct and behaviour to ensure all children can learn in an environment that is free from disruption.
