## Focus of the week: Good News!

There has been so much good news this week that we have decided to bring it all together for you to read in one space!

### Charlestown Signage

On Monday we had an assembly at school in which 5 of our children were given awards for winning the Charlestown signage competition run last summer. The signs are situated all over the local area. Keep your eyes open to find and admire them!

### Compliments given to our children

4He were complimented on their lovely behaviour by another school when they went swimming. Well done!

Our Y5/6 footballers were noted by many for their superb team work and levels of respect to all. Fabulous news!

### Visitors to school

This week we have had visitors in school to see how well we nurture the children who come to Crosslee. They were very impressed. In addition we had another visitor in to look at the behaviour. They were very complimentary about the impact of the work on standards of conduct in and outside the school building. To top it off, we got a safeguarding audit report back which praised what we are doing in school. What a great week!

### Football tournament

On Monday a group of Y5/6 footballers took part in a tournament at MCA. They won 5 matches and drew 1. These are great results that have given children, parents and staff so much to smile about.

**How lovely to see all the children in red and with fantastic ideas to celebrate red nose day! Thank you also for all your donations.**

**Please note the dates and times for the Tree planting on the 20th March and also the Spring Fair on the 27th March. We're all looking forward to both events!**

**Have a wonderful weekend and see you on Monday.**
